What's Happening at Little Britain United Church

August 2014

Recycling Wrap-up

During the course of this project, Sandy and his crew hauled away 5480 lbs. of steel. Not only did they keep it out of the landfill, they raised \$487 for the church. The next step is to recycle the remaining stainless steel, aluminum, copper and brass in August. Well done!!

Sunday School

Sunday School registration and start will take place September 7. Children ages 3-13, meet each week beginning in the church with the opening of worship, and then move to the Sunday School rooms in our hall with the teacher.

Food Handlers

Sept 27 or Nov 15

Our Food Handlers certificates have expired. We'll be asking the current holders if they would like to re-certify.

We expect that we will require a couple of additional "new" certificate holders.

There are two upcoming course dates Sept 27 or Nov 15. Council will pay 1/2 the fee. See Deb K. if you are interested.

Summer

Rev. Shelly is away during August. Our regular 10 a.m. Sunday services will be led by members of the LBUC congregation. Come for the service, a visit and a summer stroll through the grounds.
