Fundraising

Bell tower project restoration during October
- for the Canada 150 project. Fundraising ideas would be appreciated.

Wool Sale – We received an anonymous donation. See Shirley Froehlich if you wish to purchase wool.

Deb Kashuba asked for folks to bring in personal care products for the Nova House/St. Joseph's Shelter.

Especially needed are: disposable men's shavers, deodorant and toothbrushes. Just leave items in the hall, in the box marked Nova House.
