What's Happening at Little Britain United Church

Did you know?

A Piece of the Past – Did you know that the pews and the Pulpit in our church were made for the original log-meeting house in the 1860's? Each row used to be one long pew with aisles on each side of the church. With large families in those days, one family often used the entire pew. One hundred years later in the 1960's the pews were cut in half to give a centre aisle.
