What's Happening At Little Britain United Church

Happy Canada Day!

Happy Canada Day Everyone! Summer is generally quiet around LBUC. We invite you to stroll the grounds and check out the improvements that were made as part of the Canada 150 restoration project for our bell tower. The spire on the bell tower (photo above) became very worn over the years and it needed to be replaced. A special place will be chosen to display the original spire so that we may continue to enjoy this piece of our history for years to come. Details of the festivities for the Canada 150 - Rededication of the Bell Tower will be announced over the summer.

July 9 – Special Service Join us in a First Century Christian Worship service with Clandeboye and Cloverdale United Churches at Millar's Acres, 1148 Cloverdale Rd starting at 10 am with potluck brunch and then worship and communion. They will also be taking a collection for the Selkirk Food Bank. There will fellowship time and lawn games afterward as well.

Note: our next newsletter will be sent out in mid-August.

This Summer:
