## From Council

We are looking for a volunteer Administration Assistant from May to October. This involves checking email and phone messages and forwarding them, bulletins, a few other things. This is an important position because it helps the minister out. She or he can then spend more time on Pastoral Care and Leadership. The job description is in the constitution that was mailed to everyone in early February. For more information talk to Holly Toews or Shirley Froehlich. Holly can provide any training required for the new person.

We also require a Vice Chair for Council. Since this position has been vacant for a year the candidate would be vice chair for the remainder of this year and then become Council Chair in late February 2019. The job description is also in the constitution. For more information, talk to Shirley Froehlich or Margaret Speer.
