### Changes to the United Church Our New Region

Over the past year, you may have heard about changes to the governance of The United Church of Canada. The General Council remains as the decision-making body for the United Church. Under the new structure there will be 16 Regional Councils across Canada. Little Britain United Church is located in the newly created Region 5 called the 'Prairie To Pine' region. In the new structure, our congregation becomes a part of the church known as a Community of Faith which includes all aspects of ministry within the United Church of Canada such as outreach ministries and chaplaincies.
