PAR – Pre-Authorized Remittance
It's something to consider! Here's some information from the United Church of Canada:

'Besides being convenient, using PAR for your offering ensures regular monthly givings to help our church's ministry even when you are away.

You will be providing our congregation a dependable flow of contributions, which increases our overall financial stability. Why not participate in PAR?

Your regular giving supports the local ministry of our congregation.'

Speak to Judy if you would like to use PAR for your offering.

At the Annual Meeting on Feb. 24 we voted to become an official Affirming Congregation that welcomes the LGBTQ community. An ad hoc team has been assembled to work towards this. We encourage everyone to look at the Affirm United website www.affirmunited.ca for more information. Many of us thought we were affirming but there is a formal process to go through before we are listed on their website and with the United Church of Canada as an Affirming Congregation. If anyone would like to join the team or give input, talk to Beth or Tanya.
