Pass It On . . .

What's Happening At Little Britain United Church

This Summer

With the provincial government relaxing restrictions on the number of people allowed to gather together Little Britain United Church will be holding outdoor worship services on most Sundays in July and August. Please see the schedule of services under Events on our website or check your email.

As mentioned, the services will be held outside with everyone being asked to practise social distancing. Please bring your own lawn chair and dress for the weather. Also wear a mask to help protect those around you.

The church and the hall will still remain closed for rentals during the summer months.

We are looking forward to being able to join together once again for worship and hope you can join us.

Blessings,
Tanya Wiegand
Council Chair
