## Message from Beth McLean

I continue to pray that you are all remaining well and safe, and that soon our lives will return to whatever normal may look like in our church and world.

We have been blessed with beautiful Sunday weather which has allowed for outdoor worship and fellowship, although done at a distance and our faces masked. We hope to continue this until the weather no longer permits us being outside. At which time we will move into the church building. Protocols for re-opening, which will be sent out to each congregational member in the next couple of weeks have been prepared with your health and safety as our primary focus.

Nothing is perfect and the Council is open to any questions, comments or concerns you may have. Social-distancing and the wearing of face masks for the entire service will be expected. Our worship time will certainly look and feel different, but myself and Council are hoping that you will feel and know God's presence as we move forward. Thank you to all who responded to our survey which clearly indicated your desire to return to the church with worship at 10 am.

Almost 6 months ago, we locked the doors of our little stone church and soon, with the guidance of the Holy Spirit and in faith we will open those doors. For those who wish to remain at home, I respect your decision and if you wish to receive the service, please let me know.

With Blessing and Respect,

Beth McLean, Minister
