

We are not alone, we live in God's world – United Church of Canada Creed

# Pass It On...

What's happening at Little Britain United Church October 2020

## Message from Beth McLean

Dear Friends,

I write this today with a sense of joy that this past Sunday, our first service in the church building since March went so well. We settled into the "new norm" with no problems. I felt that we knew the presence of the Holy Spirit filling the air with happiness and hope that we were moving on despite the uncertainties of Covid 19. I am grateful that the new health regulations put on the RM of St. Andrews has had no affect on our worshipping community and we will continue with our regular 10 am service.

We sung, spoke softly or hummed along to the hymns and listened and meditated on the special music. It is important that we bring along our hymn books that have been distributed and will continue to be distributed since we cannot share.

October 4th is designated as World Wide Communion Sunday and individual baggies with the symbols we will use during the Sacrament will be distributed.

There are many who have contributed to our re-opening of the church and I am grateful to all and I believe, to the best of our ability that our time of worship will continue to be a safe place for us to gather as a community of faith.

If you have any questions or wish to receive the Sunday Service via email, please let me know.

My prayer for you and those you love is that God will keep you safe and bring us all through these Covid times.

Kind Regards,  
Beth McLean, Minister

**Church reopening protocols during Covid 19 are available on the Little Britain website <https://littlebritainunitedchurch.ca/>**
