**What's Happening at Little Britain United Church**

**March 2021**

### Message from Beth McLean

Greetings to All,

Worship Services will continue on Zoom until further notice with outdoor worship beginning once weather and Provincial Health regulations allow. A Good Friday service on April 2nd will be held via Zoom at 7pm with music and Word. It is my hope that, should weather and gathering numbers permit we could gather for an 11 am outdoor Easter Service. Certainly, winter attire would be in order and no Easter bonnets! You will be informed of any decision closer to the date.

Information regarding a vote to become an Affirming Congregation has been sent. Please either email or call in your vote on March 7th for this very important time in the life of Little Britain United Church.

It has been almost a year since our lives were turned upside down and we continue to support one another and our church and my prayer is that we will move forward confident that God's love will sustain us in the days yet to come.

Blessings on our Lenten journey,

Beth McLean, Minister

### Affirming Vote Sunday, March 7, 2021

In the spring of 2019, Little Britain United Church began the journey towards becoming an Affirming Ministry. An Affirming congregation is one that publicly declares its commitment to inclusion and justice for people of all races, ages, abilities, sexual orientations and gender identities.

On March 7, members will vote on whether they would like to become Affirming. Information on how members can participate in the vote will be sent out prior to this date.

**National Affirming PIE Day Celebration** will take place Sunday, March 14 after the Sunday Zoom service featuring a few videos, a reading and discussion.
